

The Vincent Groetzner Memorial Arts Scholarship

The Vincent Groetzner Memorial Arts Scholarship was established in 2010 to commemorate the vitality and creative energy of an extraordinary child.

The VGMAS provides tuition assistance to selected students, ages 5 – 13 years, interested in the performing arts who may otherwise be unable to take advantage of the IceHouse Youth programs, due to financial considerations.

ELIGIBILITY: Applicants must be residents of Lake County. Scholarships are awarded based on the financial need of the family as well as the passion for creative expression of the child applying. An IceHouse Youth Theatre Scholarship application must be submitted with the student's Registration form to be considered for scholarship assistance.

The IceHouse Youth Theatre Scholarship applications are reviewed by the IceHouse panel and by the founders of the Vincent Groetzner Memorial Arts Scholarship. Families will be notified regarding the outcome of their applications for assistance within the first week of the production workshop or summer camp schedule.
